Based on annual update of Federal Poverty Income Guidelines. Effective January January 1, 2009

NOTES:

*If you are eligible for Healthy Families/Healthy Kids, or CHIP, but do not participate in the program, the Health Benefits Coordinator will assist you with enrollment in the appropriate benefit program and you will be charged the appropriate rate of co-payment, as applicable to the program.

*If your insurance prohibits discount fees, the scale may not be used during your visit.

*Individuals above Category E are eligible to receive a 10% discount for paying in cash the day of their appointment.

Definitions:

Family Size: All persons related by birth, marriage, or adoption who live together in the same housing unit (house, apartment, etc.) and are claimed as a dependent under IRS Rules and Regulations

Income: Total cash receipts before taxes from all sources including wages, unemployment, worker's comp, and public assistance, etc.
